RE: ESSENTIAL HOME HEALTH CARE SERVICES DESIGNATION (Expires according to state or federal order)

To Law Enforcement & Emergency Services Personnel:

The bearer of this letter is employed by Absolute HCBS, LLC in an essential capacity, providing home care services to vulnerable individuals, elderly and disabled clients, who rely on these caregivers for their essential needs in their homes. Many are not able to leave their homes alone or obtain health care elsewhere at this time. Both President Trump's National Emergency Orders and state and local shelter-in-place orders exempt essential services including healthcare providers.

This letter verifies the essential nature of the bearer's duties and is not intended in any way to encroach upon the authority and laws of state and local governmental authorities. This designation is meant to address travel to and from work assignments as well as proof of employment for vaccination purposes. If you need to verify the bearer's employment and that s/he is currently on assignment with Absolute HCBS, LLC, please contact Kendra Verdoni at 480.401.6341.

Sincerely,

Lisa Laurence
CEO, Absolute HCBS
